

**James Jones  
& SONS LIMITED**

## **Machine Operator/Labourer/Cleaner – Aboyne**

James Jones & Sons Ltd is one of the UK's largest and most progressive timber companies with core activities in sawmilling, I-Joist and pallet manufacture. We operate five sawmills throughout Scotland; an engineered wood manufacturing plant in the north of Scotland and have pallet and packaging operations at eleven sites across the UK. We produce high quality, British grown sawn timber for the construction, pallet, packaging, fencing and agricultural sectors and pallets and packaging for blue chip domestic and exporting businesses. In addition, we are the market leaders in the supply of JJI-Joists to many of the UK's top house builders.

We have an opportunity for a full time Machine Operator/Labourer/Cleaner, working on a variety of production processes at our Burnroot Sawmill Site in Aboyne. This position will also assist in providing a clean environment in our production facility.

Normal weekly working hours are: Tuesday to Friday, 8.00 to 18.00 & Saturday, 8.00am to 17.00.

### **The key responsibilities associated with the role will include the following:**

- Tiding up of production generated waste, sawdust, bark, timber etc. and placing this into the waste systems; using various cleaning tools including shovels and brushes walking behind sweepers/hoovers.
- Checking on a regular basis that all access routes are clean at all times.
- Feeding the chipper waste system with reject material.
- Other associated cleaning and labouring duties as and when required.

The individual must have the ability to work independently, but also must interact and communicate with other personnel on the site.
