

Production Operatives (Temporary) - Forres

James Jones & Sons Ltd, Timber Systems Division, is the UK's largest manufacturer of FSC® certified I-Joists, branded as JJI-Joists. JJI-Joists are the most widely specified engineered wood product in the UK and are used in residential and commercial construction as load-bearing and non-load-bearing members for floors, walls and roofs.

We are looking for additional production operators for approximately 5 months to support our Production team at our Forres site.

Key Skills

Good communication skills are required, as well as the ability to work as part of a team.

Experience of working in a manufacturing environment would be an advantage.

The role will require compliance with health and safety procedures and written work instructions.

Successful candidates must demonstrate the ability to communicate in English as well as comprehend written instructions.

We currently work a day and night shift system and applicants must be prepared to work shift systems and out of hours working as and when required.

Application via letter or CV should be sent to: recruitment@jamesjones.co.uk or **Donna O'Connor, James Jones and Sons Ltd, Broomage Avenue, Larbert, Stirlingshire, FK5 4NQ**

Applicants must be able to prove that they are eligible to work in the UK.
